

## TRCF Centenary Fund – How it Works

Our vision is simple but powerful – to create a rugby club that excels at every level. As we strive to achieve this, we recognise the value of dedicated supporters like you. By donating \$1000 per year for 10 years, you'll be helping us reach our goal of 100 members committed to building a brighter future for Takapuna Rugby Club.

### Proposal

- To celebrate the first 100 years of the Takapuna Rugby Club and secure a strong foundation for its future, we aim to raise over \$1million by 2034 - TRC's Centenary Year.

### How

- Starting in 2024, 100 people commit to donating \$1,000 per year for 10 years.
- Assumption that average interest rate during the 10 years is 5%.
- Donors will receive a 33% refund on their total donations made.

### Financials

- Based on the above assumptions, the total amount donated (including annual contributions and compound interest) over the 10 years will be approximately \$1.3million.
- Therefore, on an individual donor basis, \$6,667 in donations (\$10,000 less 33% refund) over ten years will equate to \$13,206 in funding for the Takapuna Rugby Club.

### Exclusive Benefits for 'Centenary Fund' Members

- Honorary Polo Shirt: Receive an exclusive, personalized polo shirt as a symbol of our gratitude for your invaluable support.
- Recognition: Your name will be displayed on our Centenary Fund 'Wall of Fame', showcasing your dedication to the growth of our club.
- Annual Function: Each year leading up to 2034, members will be invited to an exclusive function to ensure they remain well connected to the club and updated regarding the progress of the fund.
